EXPERIENCE

Young Americans for Liberty – Austin, TX **April 2026 – Present**
Direct Mail Production Manager

- Oversee a physical archive of printed materials, handling intake, organization, shelving and retrieval across several campaign years.
- Built and maintain a digital reading room for that archive, indexed so staff can locate and pull past materials themselves through a searchable catalog.
- Run production for all printed fundraising mail, including prospecting packages, house file appeals, booklets and invitations, along with the records system behind it.
- Act as the main contact for print vendors, reviewing proofs and specifications and keeping several print jobs moving at once.

University of Austin (UATX) – Austin, TX **October 2025 – April 2026**
Development Manager

- Managed intake and documentation of library donations, including a complete *Harvard Classics* set.
- Served as the on-site point of contact for visitor tours of the campus library, guiding guests and answering questions about the collections.
- Recorded and reconciled all contributions in HubSpot with the finance team.

Young Americans for Liberty – Austin, TX **November 2022 – October 2025**
Donor Services Director | Development Coordinator

- Managed and tracked 150–320 constituent records across HubSpot and Salesforce, keeping entries accurate and consistently coded so they stayed searchable and reportable.
- Answered inbound inquiries and oversaw inbox management, meeting scheduling and research requests for senior staff.
- Coordinated event check-ins and administrative operations for conferences serving up to 1,000 attendees.

Fowler School of Law – Orange, CA **September 2021 – April 2022**
Student Registrar

- Staffed the registrar service window as the front-line contact, responding to student inquiries in person, explaining procedures and making referrals.
- Processed and approved 500+ exam records, transcripts and BAR documentation in PeopleSoft to ensure accuracy and confidentiality of sensitive student data.
- Proctored midterm and final examinations, including individually proctored sittings for students with disabilities or special accommodations, and maintained organized academic records in compliance with institutional procedures.

PROJECTS IN INFORMATION ORGANIZATION

Free Knowledge Library (Founder, freeknowledgelibrary.net). A cross-ideological archive cataloging political literature. Designed the classification scheme and built the SQL database and catalog.

StateTrack (Creator, statetrack.net). A searchable public database of state campaign finance records and legislative activity, covering all 50 states.
