City of Allen, Library Specialist, Supplemental Answers

Highest level of education completed

Bachelor's degree. B.A., Chapman University, 2023.

The posting's typical path is a bachelor's degree with no prior relevant work experience, so this satisfies the stated minimum outright.

Are you legally authorized to work in the United States?

Yes.

Have you previously been employed by the City of Allen?

No.

Are you willing to work rotating shifts including nights, weekends and holidays?

Yes. The posted schedule of Saturday and Sunday afternoons, Monday, Thursday evening and Friday works for me.

Do you hold a valid driver's license with a safe driving record?

Yes, a valid California driver's license with a clean record.

Do you have prior library experience?

Not in a paid library position. I oversee a physical archive of printed materials in my current role and built the catalog behind it, I handled library donation intake and led campus library tours at the University of Austin, and I founded the Free Knowledge Library, a digital library of political literature where I designed the website, the database and the classification scheme and built the catalog. I have begun the ALA's Library Support Staff Certification and start a Library and Information Services certificate in the spring.

CRITICAL PROCEDURAL WARNING for Allen: your answers must be verifiable in the employment history section of the application. Submitting a resume in place of that section, or leaving questions blank, marks the application INCOMPLETE. Fill the work-history fields out in full even though you are also attaching a resume.
