EXPERIENCE

Young Americans for Liberty – Austin, TX **April 2026 – Present**
Direct Mail Production Manager

- Oversee a physical archive of printed fundraising materials, including direct mail letters, donor proposals and newsletters, handling intake, organization, shelving and retrieval.
- Designed the SQL database behind that archive and built a searchable digital reading room over it, and help colleagues who get stuck using it.
- Design and produce printed promotional material, including booklets and invitations, from first proof through delivery.
- Act as the main contact for print vendors, keeping several concurrent jobs on schedule.

University of Austin (UATX) – Austin, TX **October 2025 – April 2026**
Development Manager

- Served as the on-site point of contact for visitor tours of the campus library, guiding groups of all ages and answering questions about the collections.
- Managed intake and documentation of library donations, including a complete *Harvard Classics* set.
- Sourced students' own stories for donor-facing materials, interviewing them about their work and writing it for readers outside the university.

Young Americans for Liberty – Austin, TX **November 2022 – October 2025**
Donor Services Director | West Deputy Regional Director | California State Chair

- As West Deputy Regional Director, supervised six state chairs across four states, met with them weekly, and trained student leaders and volunteers to run their own programs and events.
- Recruited college students into conferences and programs, drawing 115+ applications and 50+ registrations for the 2023 national convention, and coordinated their travel.
- As California State Chair, organized and ran 30+ events and recruitment drives, with communication to 400+ members.
- As Donor Services Director, managed a portfolio of 320 donors across more than two years of continuous public-facing service.
- Coordinated event check-in, setup and on-site operations for conferences serving up to 1,000 attendees.

Fowler School of Law – Orange, CA **September 2021 – April 2022**
Student Registrar

- Staffed the registrar service window as the front-line contact, responding to student inquiries in person, explaining procedures and making referrals.
- Processed and approved 500+ exam records, transcripts and BAR documentation in PeopleSoft to ensure accuracy and confidentiality of sensitive student data.
- Proctored midterm and final examinations, including individually proctored sittings for students with disabilities or special accommodations, and maintained organized academic records in compliance with institutional procedures.

PROJECTS IN INFORMATION ORGANIZATION

Free Knowledge Library (Founder, freeknowledgelibrary.net). A digital library of political literature drawn from across the ideological spectrum. Designed the website, the SQL database and the classification scheme, and built the catalog that readers search.

StateTrack (Creator, statetrack.net). A service publishing searchable state campaign finance records for state house and state senate candidates in all 50 states.
