American Library Association (via InfoPeople.org) **Coursework in Progress**
Library Support Staff Certification (LSSC), Introduction to Librarianship Start: February 2026

Chapman University, The School of Communication **Graduated: May 2023**
Graduated with a B.A. in Strategic & Corporate Communication, Minor in Business Administration. Major GPA: 3.591

EXPERIENCE

Young Americans for Liberty – Austin, TX **April 2026 – Present**
Direct Mail Production Manager

- Designed the SQL database behind the organization's archive of printed fundraising materials and built the searchable reading room over it, so any member of staff can locate a past piece and its shelf position without assistance.
- Maintain both systems, train new staff on them, and troubleshoot for colleagues when something will not work.
- Wrote the documentation that lets somebody use the catalog without being walked through it.
- Act as the main contact for outside print vendors, reviewing specifications and holding several concurrent jobs to fixed dates.

University of Austin (UATX) – Austin, TX **October 2025 – April 2026**
Development Manager

- Handled intake, documentation and processing of donated book collections for the campus library, including a complete *Harvard Classics* set.
- Served as the on-site point of contact for visitor tours of the campus library, helping guests locate materials and service areas.
- Managed donor records and gift processing in HubSpot, reconciling transactions with the finance team.

Young Americans for Liberty – Austin, TX **November 2022 – October 2025**
Donor Services Director | Development Coordinator

- Maintained constituent records across HubSpot and Salesforce for a portfolio of 320 donors, keeping entries consistently structured so they stayed searchable and reportable.
- Answered inbound inquiries by phone and email across more than two years of continuous public-facing service.
- Trained student leaders and volunteers on the systems and procedures they needed to run their own programs.

Fowler School of Law – Orange, CA **September 2021 – April 2022**
Student Registrar

- Staffed the registrar service window as the front-line contact, assisting students in person and by phone and explaining procedures that were not obvious.
- Processed and approved 500+ exam records, transcripts and bar documentation in PeopleSoft, accurately and in confidence.
- Set up and proctored examinations, including individually proctored sittings for students with accommodations.

PROJECTS IN INFORMATION ORGANIZATION

Free Knowledge Library (Founder, freeknowledgelibrary.net). A digital library of political literature drawn from across the ideological spectrum. Designed the website, the SQL database and the classification scheme, and built the catalog that readers search.

StateTrack (Creator, statetrack.net). A service publishing searchable state campaign finance records for state house and state senate candidates in all 50 states.

SKILLS & INTERESTS
