EXPERIENCE

Young Americans for Liberty – Austin, TX **April 2026 – Present**
Direct Mail Production Manager

- Oversee the archive of printed fundraising materials mailed to donors, handling intake, arrangement, shelving and retrieval across several campaign years.
- Designed the SQL database behind that archive and built the finding aid over it, a searchable reading room that lets any member of staff locate a piece and its shelf position without assistance.
- Coordinate the outside print vendors who produce each piece and hold several concurrent projects to fixed drop dates.
- Review vendor proofs, specifications and invoices, and keep the records that reconcile them.

University of Austin (UATX) – Austin, TX **October 2025 – April 2026**
Development Manager

- Handled intake, documentation and processing of donated book collections for the campus library, including a complete *Harvard Classics* set carried from first conversation with the donor through to the books on the shelf.
- Served as the on-site point of contact for visitor tours of the campus library, guiding groups of all ages and answering questions about the collections.
- Sourced students' own accounts of their work for donor-facing materials, interviewing them and writing for readers outside the university.

Young Americans for Liberty – Austin, TX **November 2022 – October 2025**
Donor Services Director | West Deputy Regional Director | California State Chair

- As West Deputy Regional Director, supervised six state chairs across four states, ran weekly meetings, and trained student leaders and volunteers to deliver their own programs.
- As California State Chair, organized and ran 30+ programs and recruitment events, with communication to 400+ members.
- Recruited participants into conferences and programs, drawing 115+ applications and 50+ registrations for the 2023 national convention.
- As Donor Services Director, managed a portfolio of 320 donors and the records behind it across more than two years of continuous public-facing service.

Fowler School of Law – Orange, CA **September 2021 – April 2022**
Student Registrar

- Staffed the registrar service window as the front-line contact, answering questions in person and by phone, explaining procedures and making referrals.
- Processed and approved 500+ exam records, transcripts and bar documentation in PeopleSoft, accurately and in confidence.
- Searched, filed and verified academic and bibliographic records, and proctored examinations including individually proctored sittings for students with accommodations.

PROJECTS IN INFORMATION ORGANIZATION

Free Knowledge Library (Founder, freeknowledgelibrary.net). A digital library of political literature drawn from across the ideological spectrum. Designed the website, the SQL database and the classification scheme, and built the catalog that readers search.

StateTrack (Creator, statetrack.net). A service publishing searchable state campaign finance records for state house and state senate candidates in all 50 states.

SKILLS & INTERESTS
