## EXPERIENCE

**Young Americans for Liberty** – Austin, TX **April 2026 – Present**
*Direct Mail Production Manager*

- Oversee a physical archive of printed fundraising materials, including direct mail letters, donor proposals and newsletters, handling intake, organization, shelving and retrieval.
- Designed the SQL database behind that archive and built a searchable digital reading room over it, and help colleagues who get stuck using it.
- Design and produce printed promotional material, including booklets and invitations, from first proof through delivery.
- Act as the main contact for print vendors, keeping several concurrent jobs on schedule.

**University of Austin (UATX)** – Austin, TX **October 2025 – April 2026**
*Development Manager*

- Served as the on-site point of contact for visitor tours of the campus library, guiding groups of all ages and answering questions about the collections.
- Managed intake and documentation of library donations, including a complete *Harvard Classics* set.
- Built and managed communications and campaigns, including promotional materials and event invitations.

**Young Americans for Liberty** – Austin, TX **November 2022 – October 2025**
*Donor Services Director | Development Coordinator*

- Assisted 150–320 constituents in person, by phone and by email over more than two years of continuous public-facing service.
- Produced displays, mailers and promotional material to publicize events and programs.
- Coordinated event check-ins, setup and on-site operations for events serving up to 1,000 attendees.

**Fowler School of Law** – Orange, CA **September 2021 – April 2022**
*Student Registrar*

- Staffed the registrar service window as the front-line contact, responding to student inquiries in person, explaining procedures and making referrals.
- Processed and approved 500+ exam records, transcripts and BAR documentation in PeopleSoft to ensure accuracy and confidentiality of sensitive student data.
- Proctored midterm and final examinations, including individually proctored sittings for students with disabilities or special accommodations, and maintained organized academic records in compliance with institutional procedures.

## PROJECTS IN INFORMATION ORGANIZATION

**Free Knowledge Library** (Founder, freeknowledgelibrary.net). A digital library of political literature drawn from across the ideological spectrum. Designed the website, the SQL database and the classification scheme, and built the catalog that readers search.

**StateTrack** (Creator, statetrack.net). A public website publishing searchable state campaign finance records and legislative activity for all 50 states.
