Library Support Staff Certification (LSSC), Introduction to Librarianship Start: February 2026

Chapman University, The School of Communication **Graduated: May 2023**
Graduated with a B.A. in Strategic & Corporate Communication, Minor in Business Administration. Major GPA: 3.591

EXPERIENCE

Young Americans for Liberty – Austin, TX **April 2026 – Present**
Direct Mail Production Manager

- Built an archive out of the fundraising mail the organization sends to donors, and handle its intake, sorting, storage and retrieval.
- Designed a SQL database and searchable catalog of every letter and newsletter the organization has mailed, so staff can find an item and where its paper copy is.
- Coordinate the outside print vendors who produce each piece and hold several concurrent projects to fixed drop dates.
- Review vendor proofs, specifications and invoices, and keep the records that reconcile them.

University of Austin (UATX) – Austin, TX **October 2025 – April 2026**
Development Manager

- Handled intake, documentation and processing of donated book collections for the campus library, including a complete *Harvard Classics* set, which I arranged with the donor, recorded, sorted and shelved myself.
- Led donor tours of the campus library as the on-site point of contact, answering questions about the collections for guests from academic, business and other professional backgrounds.
- Sourced students' own accounts of their work for donor-facing materials, interviewing them and writing for readers outside the university.

Young Americans for Liberty – Austin, TX **November 2022 – October 2025**
Donor Services Director | West Deputy Regional Director | California State Chair

- As West Deputy Regional Director, supervised six state chairs and oversaw campus chapters across Arizona, Nevada and California, ran weekly meetings, and trained student leaders and volunteers to deliver their own programs.
- As California State Chair, organized and ran 30+ programs, recruitment drives and chapter meetings, and served as primary liaison for 90+ dues-paying members statewide.
- Recruited participants into conferences and programs, drawing 115+ applications and 50+ registrations for the 2023 national convention.
- As Donor Services Director, managed 320 donor records and the money coming in against them, supervising four staff in a year of public-facing service.

Fowler School of Law – Orange, CA **September 2021 – April 2022**
Student Registrar

- Staffed the registrar service window as the front-line contact, answering questions in person and by phone, explaining procedures and making referrals.
- Processed and approved 500+ exam records, transcripts and bar documentation in PeopleSoft, accurately and in confidence.
- Searched, filed and verified academic and bibliographic records, and proctored examinations including individually proctored sittings for students with accommodations.

PROJECTS IN INFORMATION ORGANIZATION

Free Knowledge Library (Founder, freeknowledgelibrary.net). A digital library of political literature drawn from across the ideological spectrum. Designed the website, the SQL database and the classification scheme, and built the catalog that readers search.

StateTrack (Creator, statetrack.net). A service publishing searchable state campaign finance records for state house and state senate candidates in all 50 states.

SKILLS & INTERESTS

- *Library*: reference and readers advisory, catalog search, archival arrangement and description, finding aids, digital collections, collection organization and weeding, circulation, displays and promotional material, programs and tours.
