EXPERIENCE

Young Americans for Liberty – Austin, TX **April 2026 – Present**
Direct Mail Production Manager

- Oversee a physical archive of printed materials, handling intake, organization, shelving and retrieval.
- Built and maintain the searchable catalog behind that archive, including the record structure that makes materials findable.
- Keep statistics and reporting on collection use and production throughput.
- Act as the main contact for print vendors, keeping several concurrent jobs on schedule.

University of Austin (UATX) – Austin, TX **October 2025 – April 2026**
Development Manager

- Managed intake and documentation of library donations, including a complete *Harvard Classics* set.
- Served as the on-site point of contact for visitor tours of the campus library, guiding guests and answering questions about the collections.
- Recorded and reconciled all contributions in HubSpot with the finance team.

Young Americans for Liberty – Austin, TX **November 2022 – October 2025**
Donor Services Director | Development Coordinator

- Managed and tracked 150–320 constituent records across HubSpot and Salesforce, keeping entries accurate and consistently coded so they stayed searchable and reportable.
- Answered inbound inquiries and oversaw inbox management, meeting scheduling and research requests for senior staff.
- Coordinated event check-ins and administrative operations for conferences serving up to 1,000 attendees.

Fowler School of Law – Orange, CA **September 2021 – April 2022**
Student Registrar

- Staffed the registrar service window as the front-line contact, answering questions in person and by phone, explaining procedures and making referrals.
- Opened and closed the service window, reconciling transaction records and maintaining equipment and supplies.
- Processed 500+ exam records, transcripts and BAR documentation in PeopleSoft and proctored examinations, including sittings for students with accommodations.

PROJECTS IN INFORMATION ORGANIZATION

Free Knowledge Library (Founder, freeknowledgelibrary.net). A cross-ideological archive cataloging political literature. Designed the classification scheme and built the SQL database and catalog.

StateTrack (Creator, statetrack.net). A searchable public database of state campaign finance records and legislative activity, covering all 50 states.
