EXPERIENCE

Young Americans for Liberty – Austin, TX **April 2026 – Present**
Direct Mail Production Manager

- Oversee a physical archive of printed materials, handling intake, sorting, shelving, filing and retrieval across several campaign years.
- Unpack and check in incoming shipments, process materials so they are ready to use, and prepare outgoing deliveries.
- Keep the collection and its storage orderly, repairing or discarding damaged items and maintaining accurate inventory.
- Act as the main contact for print vendors, reviewing specifications and keeping several concurrent jobs on schedule.

University of Austin (UATX) – Austin, TX **October 2025 – April 2026**
Development Manager

- Managed intake, documentation and processing of library donations, including a complete *Harvard Classics* set.
- Served as the on-site point of contact for visitor tours of the campus library, assisting guests in locating materials and service areas.
- Assisted with event setup and on-site logistics for donor visits and programs.

Young Americans for Liberty – Austin, TX **November 2022 – October 2025**
Donor Services Director | Development Coordinator

- Managed and tracked 150–320 constituent records across HubSpot and Salesforce, keeping entries accurate and consistently coded so they stayed searchable and reportable.
- Answered inbound inquiries and oversaw inbox management, meeting scheduling and research requests for senior staff.
- Coordinated event check-ins and administrative operations for conferences serving up to 1,000 attendees.

Fowler School of Law – Orange, CA **September 2021 – April 2022**
Student Registrar

- Staffed the registrar service window as the front-line contact, assisting students and directing them to the right resources.
- Processed and approved 500+ exam records, transcripts and BAR documentation in PeopleSoft with a high standard of accuracy.
- Set up and proctored examinations, including individually proctored sittings for students with accommodations.

PROJECTS IN INFORMATION ORGANIZATION

Free Knowledge Library (Founder, freeknowledgelibrary.net). A cross-ideological archive cataloging political literature. Designed the classification scheme and built the SQL database and catalog.

StateTrack (Creator, statetrack.net). A searchable public database of state campaign finance records and legislative activity, covering all 50 states.

SKILLS & INTERESTS

- *Library*: sorting, shelving and filing, checking in materials, processing for shelf readiness, inventory and repair, patron assistance, room setup and program support.
- *Systems*: PeopleSoft, HubSpot, Salesforce, SQL databases, online catalog search, Microsoft Office Suite, Google Workspace.
- *Other*: Valid California driver’s license with a clean record. Comfortable with the physical requirements, including lifting to 50 pounds. Able to relocate to Orange County, where I have family.
