EXPERIENCE

Young Americans for Liberty – Austin, TX **April 2026 – Present**
Direct Mail Production Manager

- Oversee a physical archive of printed fundraising materials, including direct mail letters, donor proposals and newsletters, handling intake, sorting, shelving, filing and retrieval across several campaign years.
- Unpack and check in incoming shipments, process materials so they are ready to use, and prepare outgoing deliveries.
- Keep the collection and its storage orderly, repairing or discarding damaged items and maintaining accurate inventory.
- Act as the main contact for print vendors, reviewing specifications and keeping several concurrent jobs on schedule.
- Designed the SQL database behind that archive and built the searchable catalog over it, so any item can be located by mail code, campaign or date.

University of Austin (UATX) – Austin, TX **October 2025 – April 2026**
Development Manager

- Managed intake, documentation and processing of library donations, including a complete *Harvard Classics* set.
- Served as the on-site point of contact for visitor tours of the campus library, assisting guests in locating materials and service areas.
- Assisted with event setup and on-site logistics for donor visits and programs.

Young Americans for Liberty – Austin, TX **November 2022 – October 2025**
Donor Services Director | Development Coordinator

- Managed and tracked 150–320 constituent records across HubSpot and Salesforce, keeping entries accurate and consistently coded so they stayed searchable and reportable.
- Answered inbound inquiries and oversaw inbox management, meeting scheduling and research requests for senior staff.
- Coordinated event check-ins and administrative operations for conferences serving up to 1,000 attendees.

Fowler School of Law – Orange, CA **September 2021 – April 2022**
Student Registrar

- Staffed the registrar service window as the front-line contact, assisting students and directing them to the right resources.
- Processed and approved 500+ exam records, transcripts and BAR documentation in PeopleSoft with a high standard of accuracy.
- Set up and proctored examinations, including individually proctored sittings for students with accommodations.

PROJECTS IN INFORMATION ORGANIZATION

Free Knowledge Library (Founder, freeknowledgelibrary.net). A digital library of political literature drawn from across the ideological spectrum. Designed the website, the SQL database and the classification scheme, and built the catalog that readers search.

StateTrack (Creator, statetrack.net). A public website publishing searchable state campaign finance records and legislative activity for all 50 states.

SKILLS & INTERESTS

- *Library*: sorting, shelving and filing, checking in materials, processing for shelf readiness, inventory and repair, patron assistance, room setup and program support.
- *Systems*: PeopleSoft, HubSpot, Salesforce, SQL databases, online catalog search, Microsoft Office Suite, Google Workspace.
- *Other*: Valid California driver’s license with a clean record. Comfortable with the physical requirements, including lifting to 50 pounds. Able to relocate to Orange County, where I have family.
