Hiring Committee
Mahon Library, Lubbock Municipal Libraries
City of Lubbock
1314 Avenue K, Lubbock, TX 79401

Dear Hiring Committee,

I am applying for the Part-Time Library Aide position at the Mahon Library.

The posting asks for someone who can complete detailed routines at a high rate of accuracy, and that is the claim I can evidence best. As a student registrar at Chapman University's Fowler School of Law I processed and approved over five hundred exam records, transcripts and bar documents, where filing something incorrectly had real consequences for a student. I also staffed the service window, so circulation desk work and helping someone who is not sure what they need are both familiar.

In my current role I oversee a physical archive of printed materials. Emptying returns, sorting and routing items, reshelving accurately and keeping the shelves in order is the daily substance of it. I am comfortable with the physical side, including cart work and repeated reaching and bending.

I am also studying for this work rather than drifting into it. I have begun the ALA's Library Support Staff Certification, which covers library organization and procedures, and I start a Library and Information Services certificate at Central Community College in the spring. I should say plainly that I am able to relocate. I am in Austin now, and I am willing to move anywhere in Texas a position requires.

Thank you for your consideration.

Sincerely,

Neal T. Gillespie
