EXPERIENCE

Young Americans for Liberty – Austin, TX **April 2026 – Present**
Direct Mail Production Manager

- Oversee a physical archive of printed fundraising materials, including direct mail letters, donor proposals and newsletters, emptying returns, sorting and routing items, reshelving them correctly and maintaining the shelves.
- Process incoming materials and keep the collection organized and accurately arranged.
- Designed the SQL database behind that archive and built the searchable catalog over it, so any item can be located by mail code, campaign or date.
- Built a searchable catalog for the archive so staff can locate materials independently.

University of Austin (UATX) – Austin, TX **October 2025 – April 2026**
Development Manager

- Managed intake and documentation of library donations, including a complete *Harvard Classics* set.
- Served as the on-site point of contact for visitor tours of the campus library, guiding guests and answering questions about the collections.
- Recorded and reconciled all contributions in HubSpot with the finance team.

Young Americans for Liberty – Austin, TX **November 2022 – October 2025**
Donor Services Director | Development Coordinator

- Managed and tracked 150–320 constituent records across HubSpot and Salesforce, keeping entries accurate and consistently coded so they stayed searchable and reportable.
- Answered inbound inquiries and oversaw inbox management, meeting scheduling and research requests for senior staff.
- Coordinated event check-ins and administrative operations for conferences serving up to 1,000 attendees.

Fowler School of Law – Orange, CA **September 2021 – April 2022**
Student Registrar

- Staffed the registrar service window, providing front-line customer service to students in person and by phone.
- Processed and approved 500+ exam records, transcripts and BAR documentation in PeopleSoft, completing detailed routines at a high rate of accuracy.
- Maintained organized academic records in compliance with institutional procedures.

PROJECTS IN INFORMATION ORGANIZATION

Free Knowledge Library (Founder, freeknowledgelibrary.net). A digital library of political literature drawn from across the ideological spectrum. Designed the website, the SQL database and the classification scheme, and built the catalog that readers search.

StateTrack (Creator, statetrack.net). A public website publishing searchable state campaign finance records and legislative activity for all 50 states.
