EXPERIENCE

Young Americans for Liberty – Austin, TX **April 2026 – Present**
Direct Mail Production Manager

- Plan and run printed fundraising campaigns from concept through mail date, coordinating vendors, schedules and deliverables across several concurrent projects.
- Produce promotion and marketing material, including booklets, invitations and event collateral.
- Track results and prepare reporting on how campaigns performed, and use it to revise the next round.
- Oversee a physical archive of printed fundraising materials, including direct mail letters, donor proposals and newsletters, and designed the SQL database and searchable catalog behind it.

University of Austin (UATX) – Austin, TX **October 2025 – April 2026**
Development Manager

- Served as the on-site point of contact for visitor tours of the campus library, hosting guests and answering questions about the collections.
- Coordinated donor visits and events, working with internal departments and outside partners on logistics.
- Managed intake and documentation of library donations, including a complete *Harvard Classics* set.

Young Americans for Liberty – Austin, TX **November 2022 – October 2025**
Donor Services Director | Development Coordinator

- Coordinated event registration, check-in and on-site logistics for conferences serving up to 1,000 attendees.
- Built communications and promotional campaigns to drive attendance and participation.
- Prepared statistics and reporting on engagement and participation for senior staff.

Fowler School of Law – Orange, CA **September 2021 – April 2022**
Student Registrar

- Staffed the registrar service window as the front-line contact, responding to student inquiries in person, explaining procedures and making referrals.
- Processed and approved 500+ exam records, transcripts and BAR documentation in PeopleSoft to ensure accuracy and confidentiality of sensitive student data.
- Proctored midterm and final examinations, including individually proctored sittings for students with disabilities or special accommodations, and maintained organized academic records in compliance with institutional procedures.

PROJECTS IN INFORMATION ORGANIZATION

Free Knowledge Library (Founder, freeknowledgelibrary.net). A digital library of political literature drawn from across the ideological spectrum. Designed the website, the SQL database and the classification scheme, and built the catalog that readers search.

StateTrack (Creator, statetrack.net). A public website publishing searchable state campaign finance records and legislative activity for all 50 states.

SKILLS & INTERESTS
